

A one year funding programme  
for 50+ junior researchers

Are you...

employed by the university?

inventor or co-inventor of  
research with a commercial  
potential within industry 4.0,  
technical or natural sciences,  
or social science/humanities?

wanting to create a research  
based company (spin-out)?

We offer...

#### A CONTACT PERSON

A business developer from  
the university who supports  
and cooperates with you all  
along the way

**MENTORING** from experienced  
entrepreneurs within your field

Monthly virtual **NETWORK
