

Conference on Research Publication
Thursday, 28th of January, 2010, 10.00 – 16.00

The Faculty of Health Sciences at Aarhus University and the State & University Library celebrate the 100-years anniversary of the opening of "Fødselsanstalten i Jylland" and the 10-years anniversary of the opening of the Victor Albeck building as Health Sciences Library and Education Centre. In honour of the occasion a conference on research publication will be held with invited speakers, Sally Curry and Mark Ware, from Research Information Network (<http://www.rin.ac.uk/>) and Publishing Research Consortium (<http://www.publishingresearch.net/>), respectively, who will present different aspects of the present research publication landscape (e.g. the peer review system, research assessment and publication behaviour, rights of journal authors). A Danish perspective will be provided by Prof. Jens Christian Djurhuus.

Programme

| | |
|---------------|---|
| 9.30 – 10.00 | Arrival (coffee/tea/bread) |

ABOUT

Research Information Network

<http://www.rin.ac.uk/>:

The Research Information Network (RIN) is a policy unit funded by the UK higher education funding councils, the seven research councils and the three national libraries.

We aim to:

- *enhance and broaden understanding of how researchers in the UK create and use information resources and services of all kinds*
- *support the development of effective policies and practices for researchers, institutions, funders, information professionals and everyone who is involved in the information landscape*

RIN publications can be found here

<http://www.rin.ac.uk/resources/rin-publications>

Publishing Research Consortium

<http://www.publishingresearch.net>:

The Publishing Research Consortium is a group of associations and publishers, which supports global research into scholarly communication in order to enable evidence-based discussion.

Our objective is to support work that is scientific and pro-scholarship. Overall, we aim to promote an understanding of the role of publishing and its impact on research and teaching.

Summary Papers and Research reports can be found here
